organization and administration of epidemiological inquiries (*Disc.*), 490
amputation under ice anæsthesia (S. M. Cohen), 232
anæmia, acute hæmolytic, of childhood (C. A. Royde and V. Glass), 86
associated with post-malarial splenomegaly (G. W. Goodhart), 85
anæsthesia and analgesia in abdominal operations (*Discussion*), 533
analgesia, caudal, in obstetrics (A. H. Galley and J. H. Peel), 680
gas and air, in midwifery (R. J. Minnitt), 45
regional, machines for (N. R. James), 525
self-administered, with trilene (B. Hill), 475
Andrewes, C. H., parenteral diarrhœa (*Disc.*), 482
Andrews, W. H., neurology and psychiatry (*Disc.* on limitation and uses of the comparative method in medicine), 657
aneurysm, aortic, double (C. A. Royde), 88
animal behaviour (*Discussion*), 658
ecology and genetics (*Discussion*), 121
learning (W. H. Thorpe), 659
ankle, hypermobile (J. G. Bonnin), 282
anophthalmos following injury, artificial eye not removed for 27 years (V. B. Purvis) (*By title*)) 34
aortic aneurysm, double (C. A. Royde), 88
argyria, occupational (J. E. M. Wigley and P. M. Deville), 648
Armytage, V. B. G.-, see Green-Armytage, V. B.
arsenotherapy jaundice, homologous serum hepatitis, and infective hepatitis (*Discussion*), 449
arteries, obliterative diseases (*Discussion*), 621
arteriography in peripheral arterial disease (J. R. Learmonth), 627
arthritis, gonococcal, treated with penicillin (J. Suchet), 498
asphyxia reticularis multiplex (G. A. Yorke), 640
Assmann's focus (C. Hoyle), 159
Attenborough, V. M., bilateral hæmorrhagic retinitis with retinal detachments (*By title*), 34
left central retinal lesion, 686
(for T. C. Summers), metallic foreign body in vitreous, 34
audibility of the radio voice (T. B. Jobson), 263
aviation dentistry (W. Harvey), 465

Bach, F., relation of physiotherapy to plastic surgery (*Disc.*), 706
bacterial metabolism in relation to chemotherapy (B. C. J. G. Knight), 492
bacteride, pustular, following sore throat (L. Forman), 411
Badger, T. L., hepatitis following yellow-fever vaccinations (*Disc.* on infective hepatitis, homologous serum hepatitis and arsenotherapy jaundice), 456
Bailey, E. T., cases treated by penicillin (*Disc.*), 503
Baker, A. H. L., anæsthesia and analgesia in abdominal operations (*Disc.*), 543
Banszky, L., organization of a fluorographic service for the civilian community (*Disc.*), 190
